The area to be served is tax parcel number 233-11.00-74.02 located in Sussex County, Delaware. If you agree to the inclusion of your property in the proposed service area, no action on your part is required.
- (2) Pursuant to current law, you may file an objection to receiving water service from Tidewater Utilities, Inc. Under Delaware law, the Public Service Commission cannot grant a CPCN to Tidewater Utilities, Inc. for the proposed service area, including your property, if a majority of the landowners in the proposed service area object to the issuance of the CPCN. - (3) Pursuant to current law, you may also elect to opt-out of inclusion in the proposed service area. The term "opt-out" means that you decide that you do not want to receive water service from Tidewater Utilities, Inc., even if a majority of the landowners in the proposed service area do elect to receive water service from Tidewater Utilities, Inc. If you do decide that you do not want to receive water service from Tidewater Utilities, Inc. and instead wish to opt-out, you must notify the Commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.

Dear Carroll J. & Helen M. Mears Trustees:

Tidewater Utilities Inc. (Tidewater) would like to thank you for the receipt of your signed petition requesting Tidewater to provide water service to your property, parcel number 533-4.00-3.00 located in Sussex County.

Tidewater will be submitting an application for a Certificate of Public Convenience and Necessity (CPCN) with the Public Service Commission (PSC) on or about May 1, 2009. Included with this letter is information that we are required to provide to all landowners within a proposed service territory prior to filing the application for a CPCN.

When the CPCN is granted, Tidewater will have the permission to provide public water service to your parcel. It is important for you, as the landowner, to know that when water service is made available to your parcel you are not obligated to connect to our water system as long as your current water supply is functioning properly. If you agree to have your property be part of this proposed service area, no action on your part is required at this time.

Tidewater understands that customer satisfaction and quality water are the foundation of our business. In 2007, Tidewater was awarded the Torch Award by the Delaware Better Business Bureau for our Marketplace Ethics. Tidewater a part of Middlesex Water Company was recently named one of America's 100 most trustworthy publicly traded firms according to Audit Integrity, Inc. In addition, Tidewater was voted Best Tasting Water in 2007 by Delaware Rural Water Association.

If you have any questions in regards to this matter please feel free to contact me at 1-800-523-7224 ext. 1014.

Sincerely,

Joseph C. Cuccinello
CPCN Coordinator
